

Owl's Newsletter

Class Teacher: Mrs Hill

Teaching Assistants: Mrs Horsley and Miss Cass

Our Early Years' Vision is for all children to be happy, confident, independent, inquisitive and resilient learners.

2Simple Observations

During half term you will have received **your child's learning journey**.

Please respond to the email with a comment and please include a photograph!

Send your comments to inbox@2buildaprofile.com

Every time you send me a comment or an observation from home you will be entered into a prize draw. The winner will be picked out of a hat during the last week of term.

Lark in the Ark

This week the children have been learning about **Noah's Ark** through a story called 'A Lark in the Ark.' It is a rhyming book about the animals getting bored on the ark and having a game of hide and seek to pass the time. The children enjoyed the animals getting up to mischief on the ark and hiding in Noah's bedroom! This week we have been focusing upon being a Triceratops and a Proudosaurus. The children have been very determined to make boats out of plasticine that floated. It has taken a lot of persistence! They have also been learning about rainbows, in particular when we see a rainbow and why we see a rainbow in the sky.

Don't Forget....

Each week the **Owl's** Nursery Blog will be updated. Take a look at the blog to find out what wonderful activities your children have been involved in this week.

Send me a Selfie Homework

Send me a selfie! You can print the selfie yourself and hand it in or you can email me the photo straight from your phone!

My email address is nurserychatter@bellsfrm.bham.sch.uk

The homework is to be in by Monday 27th November.

This week the Selfie homework is

'the kitchen' (again!)

I am printing off the children's photos and decorating our home corner with them. It would be lovely if all the children appeared in our class home corner so please send in a selfie!

Can you please send me a selfie of you and your child doing a job in the kitchen? The children could be washing up, making dinner, holding some crockery, drinking from a cup, eating some food etc.

After half term in the Foundation Stage we will be learning about

Ice

If you have any plastic 'Frozen' characters please can we borrow them next week so that the children can play with them in our small world area? Thank you!
(You can have them back next Friday!)

Enjoying our Learning ...

... Aiming for Excellence

This half term in Nursery we would like your child to be an

IMAGINDOCUS

To be an Imagindocus the children need to act out experiences in their play, using objects to represent different things.

If you see your child being an **IMAGINDOCUS at home, send me a photo/video. Don't** forget to attach some observational notes.

Send observations to inbox@2buildaprofile.com

Snowdome Trip

Wednesday 6th December

Be at school for 8:15am – **DON'T BE LATE!!**
