## Send me a Selfie Homework

Send me a selfie! You can print the selfie yourself and hand it in or you can email me the photo straight from your phone!

My email address is [nurserychatter@bellsfrm.bham.sch.uk](mailto:nurserychatter@bellsfrm.bham.sch.uk)

The homework is to be in by Monday 22nd January.

This week the Selfie homework is

Can you please send me a selfie of you and your child making biscuits or cakes for Grandma?

Please let your child be as involved in the making as much as possible. Model language throughout e.g. mixing, stirring, pouring etc. Let the children weigh out the ingredients – again model the language e.g. heavy, light, quantities, lbs, ozs, grams, kg, more, less, balance etc. Have fun!

## EXPLOROSAURUS

To be an Explorosaurus the children need to show curiosity about objects and the world around them, and the children need to show that they have particular interests.

If you see your child being an **EXPLOROSAURUS** at home, send me a photo/video.

**Don't forget to attach some observational notes.**

Send observations to [inbox@2buildaprofile.com](mailto:inbox@2buildaprofile.com)

## 2Simple Observations

As well as being an Explorosaurus I am very interested to hear about other amazing things your child is doing at home. If you are wowed then I will be too!

Please send observations to [inbox@2buildaprofile.com](mailto:inbox@2buildaprofile.com) with a comment and please include a photograph!

Send your photos and comments to [inbox@2buildaprofile.com](mailto:inbox@2buildaprofile.com)

## Muddy Monday

I am going to change Muddy Monday slightly. Monday morning will begin with a focus teaching session, then the children will have snack and then we will do Muddy Monday.

This means that the children need to bring in their wellies and waterproofs and they will get changed into them during the morning. The children will go home in the Muddy Monday clothing.

Remember we will go outside regardless of the weather!  
Warm clothes, waterproofs and wellies are also essential.
